15. Biannual Conference of the German Society for Cognitive Science

5. - 7. Sept. 2022, Freiburg im Breisgau

Call for Tutorials

Format:

We invite researchers to submit proposals for tutorials to be presented at KogWis2022. Tutorials may be on any topic in cognitive science, introducing novel methodological or theoretical developments to participants. Tutorials consist of a 2h session organized by up to three experts.

Submission process:

Please submit an abstract of one page with the subject "Tutorial proposal" directly to kogwis2022@cognition.uni-freiburg.de. This abstract should provide information about:

- Title of the tutorial
- A summary of up to 400 words describing the topic's relevance including a maximum of three references
- Information about the event's format (e.g., hands-on experience, interactive lecture, …)
- Names and affiliations of the organizers, including information about their background and their qualifications in regard to the event's topic

The **deadline** for submitting a tutorial proposal is **May 9th 2022**.

All proposals will be reviewed by the KogWis2022 program committee.

We are looking forward to your proposals.
